

SUN BEAMS

By WALTER M. BARRETT

We are going to devote this column, as much as possible, to local comment, our own interpretation of news events, a few private opinions and what not. Some of it may be taken seriously, some may provide enjoyment, some times it might carry a sting, but we hope at least to make it interesting.

It would be easy to write column after column, lauding the climate, scenery and other natural resources of this beautiful country and we probably would not be able to restrain ourselves from plenty of space on these subjects, but there are also many other things to discuss.

Sunday we drove up around the west side of Lake Tahoe, taking advantage of the fine roads, views and ozone. Our first impression was one of awe. The bigness, beauty and grandeur gets you and it is hard to keep your eyes on the road long enough to assure safe driving. We had the privilege of viewing the power boat regatta at Dave Chambers' Lodge, one of the show places on the shores of the lake and of renewing our acquaintance with the genial host. Even without the boat races, the visit was more than worthwhile.

Following the regatta, we drove on down the shores of the lake, past Emerald Bay, about which too much cannot be said of its enchanting beauty, to Meeks bay and dropped in at Richardson Camp.

At this latter resort, the Eagles lodge from Virginia City, Nevada, was staging a picnic and we were invited to participate. We want to hesitate right here to say those boys sure put on a real picnic and we regretted our departure.

From the brief association we have formed and the first general impression gained from the area, it is easy to predict that Truckee and the lake are fast becoming the world's outstanding pleasure center.

Incidentally, the Truckee river, famous for its annual harvest of trout, is a swell place to fish. The writer is just a garden variety angler, but only once in five times out have we failed to register a catch. We saw a three-pound rainbow hauled from above the old dam east of town a day or two ago and a number of similar catches have been reported all along the stream.

There doesn't seem to be any pleasure anywhere which is not available in this region—hunting, fishing, swimming, boating, motor-ing, dancing, dining, hiking and other sports are all within the immediate reach of Truckee and Tahoe. No wonder the area is developing so fast.

THANKS

I desire to take this opportunity to express my sincere appreciation to the subscribers and advertisers of the Sierra Sun for their co-operation and support during the time I have edited and published the newspaper.

I trust that the same co-operation and support will be given to the new owners, Mr. and Mrs. Walter Barrett.

ELIZABETH C. BAVIER.

TRUCKEE MAN MARRIED TO SACRAMENTO GIRL

Donald Yoacham of Truckee chose as his bride Miss Dorothy Jimenez of Sacramento at a simple wedding service performed in Reno August 2, it was learned by friends of the local man recently.

The nuptials took place at the residence of Judge Thomas Moran, who performed the ceremony. Mr. and Mrs. Lendell March of Truckee attended the couple.

Mrs. Yoacham, daughter of Mrs. P. Jimenez of Sacramento, attended the schools of that city and more recently has been a dancing teacher there.

The bridegroom is employed here, where they plan to make their future home. Yoacham is the son of W. S. Yoacham of Marysville.

Vacations in Mexico—

Leland Laity, teacher in the Wells, Nevada school will resume his duties there on the last day of this month. Laity recently came from Mexico and Southern California where he spent a fortnight.

TRUCKEE RIVER STORAGE BIDS TO BE CALLED

Plans for Reservoir at Boca
Near Completion
Says Official

PLAN OCTOBER WORK
Drop Proposal to Increase
Capacity of New
Project

Invitations for bids for the construction of the up-stream storage reservoir on the Little Truckee river will be issued this week by the reclamation service, it was announced by R. F. Walter, chief engineer, in a telegram to C. J. Lehman, director of the Truckee-Carson Irrigation district at Fallon. Walter's telegram stated:

"Plans and specifications are practically completed for the Boca reservoir, with a capacity of 40,000 acre feet and invitations for bids will be issued this week. Power company failed to advance funds for designing alternative larger capacity and no plans have been prepared for larger reservoir."

Reject Proposal

Walter's telegram indicates that the reclamation district has dropped entirely the proposal made some time ago to increase the capacity of the reservoir to 75,000 acre feet as suggested by the Sierra Pacific Power company. Neither the Truckee-Carson Irrigation district nor the Washoe County Conservation district has accepted the proposal. The power company proposed to pay the added cost of enlarging the reservoir.

At Boca Ice Pond

The reservoir, it has been definitely decided, will be built at the site of the present Boca ice pond and will have a minimum capacity of 40,000 acre feet. The cost is also limited to one million dollars, of which half will be borne by Washoe county and the remainder by the land owners of the Washoe County Water Conservation district. The money is to be repaid to the reclamation service within 40 years without interest.

Work may start during October, it was announced.

MOTHER OF CLARENCE FULLER EXPIRES AT 83

Mrs. Helen Fuller, 83, mother of Clarence Fuller of Sacramento, who is well known in this district as a stock and sheep buyer, died recently in Sacramento following an illness of three months.

Mrs. Fuller, a native of Illinois, was a pioneer resident of Lincoln, having lived there for 78 years since her arrival in California, with her parents when a small child.

Richard N. Fuller, Mrs. Etta Leavell and Mabel Fuller of Lincoln are the husband and daughters of the deceased.

Work Started on New Court House Projects

Work was started this week on the construction of two additional wings and installation of an elevator at the court house in Nevada City. The contract for \$67,500 was awarded to Lindgren and Swinnerton of San Francisco.

The work will be completed in 167 working days, according to the contract.

The south wing of the court house was recently completed with WPA funds.

PROJECTS DISCUSSED AT CHAMBER SESSION

Topics of benefit to the interests of the community were discussed at Monday's luncheon meeting of the Truckee Chamber of Commerce, held at Besio's. President White was in charge, presiding at the brief business meeting.

NEW OWNERS IN POSSESSION OF THE SIERRA SUN

The Sierra Sun and Truckee Republican this week changed hands after being published for the past five years by the late Stanley Bavier and Mrs. E. C. Bavier. Truckee postmistress, became the property of Mr. and Mrs. Walter M. Barrett, formerly of Woodland, Yolo county.

The new editor was associated for ten years in the editorial and business offices of The Mail of Woodland and more recently with newspapers of Southern California.

Policies of The Sun will remain as they have been so successfully carried on in the past by the former editors. This newspaper will be devoted to the advancement of the Truckee-Tahoe Districts and the people of those sister communities.

The editor invites constructive criticism and will make every effort to meet the needs and wishes of the people of this district.

ARREST STARTS ROBBERY PROBE

Accused Traffic Violator is
Questioned After
Arrest

The service of a Reno warrant on Bud Moran, held in jail at Auburn following an alleged traffic violation at Lake Tahoe, Friday revealed Moran as a suspect in the slugging and robbing of C. H. Palmtage of Eureka, banker, in Reno last July 12.

Moran was returned to Reno on a charge of fraudulently passing a stolen check.

Detective work on the part of a California Highway patrol officer, Gene Walker, stationed at Lake Tahoe, wove the net around Moran.

Moran was arrested by Walker on a charge of drunken driving in connection with an accident on July 26 near Brockway, in which Mrs. Sherwood Hitchcock was injured seriously. Walker declares Moran, following his arrest, became abusive and threatened the officers.

Walker learned that Palmtage was slugged and robbed of four \$50 traveler's checks. A report was withheld in Reno on account of the victim's fear of undesirable publicity.

STANLEY POMINS ARE PARENTS OF DAUGHTER

Members of the Pomins clan were rejoicing Monday, a new member having been added to the family circle on Sunday night around 9:30 p. m. at Hobart Mills hospital where little 1½-pound Beverly Gay was born to Mrs. Stanley Pomins of the Pope estate. Dr. Harold Schwing officiated and members of the family were present to welcome the little stranger. While congratulations are pouring in, mother and baby are doing nicely.

Two Honored by Lodge At Farewell Party

Mrs. Bessie Talcott and Mrs. Georgia Follett were guests of honor at a farewell party given by members of the Naomi Rebekah Lodge, No. 2 at a regular meeting of the organization held Wednesday evening.

Mrs. Talcott will leave very soon to make her home in Reno, Nevada while Mrs. Follett will leave Truckee in the near future to live in San Francisco.

The departing members of the local lodge were each presented with a gift as a token of the esteem in which the local group held them.

LAKE REGATTA DRAWS LARGE CROWD SUNDAY

Hundreds Gather to See
Keen Competition
by Speeders

KAISER, JR., VICTOR
Free For All is Attraction
of Chambers Lodge
Contests

Hundreds of visitors and guests at Lake Tahoe resorts assembled Sunday at Chambers Lodge and along the shore of McKinney bay to view the exciting regatta sponsored by the Tahoe Power Boat club.

The first event on the program, the Stevens race, was won by Martha Jane Knecht, driving Margus III. Her time on the three-mile course of three laps was 9 minutes, 57½ seconds. Mrs. J. Carrol Skinner took second place only 5 seconds behind. Spencer Grant was third.

The 200-horsepower race was won by Edward L. Oliver, driving Hey There III in the fast time of 8 minutes and 11 seconds to defeat Henry J. Kaiser, Jr., in the Hornet. T. E. Anderson driving his Viking was third.

Kaiser Wins

The free for all race with ten entries running five miles went to Henry J. Kaiser, Jr., who covered the distance in 11:56.5 for an easy first place. John B. Metcalf driving the Teocotele in its first race was second in 12:22 and Randolph C. Walker was third in 12:29.

The relay race run with four teams of four boats proved an exciting event with each boat carrying the color of its team. The yellow team consisting of Miss Barbara Townsend, B. Charles Ehrman, Henry Kaiser, Jr., and R. C. Welker won the race.

Bang-and-Go-Back

The Singer Miss owned and driven by C. B. Hanson of Reno won the bang-and-go-back event with Kaiser, Jr. a close second. In this race the racers take a standing start, run with open throttle until a bomb signals them to turn back. Hanson nearly was penalized when he crossed the finish line a split second before the time flag dropped.

Outboard Contest

An outboard race concluded the program with Leon Ungaretti of Antioch winning in the fast time of 8:46. Larry Moore of Salinas was second and Ware Little of Piedmont third.

FORMER EMPLOYE OF SIERRA SUN WED TO LAKE FOREST WOMAN

Little did Urith E. Johnson, part owner of the Lake Forest Cottage Grocery with the Roy Vances, dream that romance awaited her one day last spring when she went into the office of the Sierra Sun in Truckee to order some business cards.

There Edward A. Johnson, formerly associated with The Sun, not only assisted her in her selection, but also won his way into the young lady's heart. While romance has not altogether been a strict secret among their friends, no one was prepared for their surprise marriage which took place in Reno on Sunday evening.

There the Rev. J. P. Schwabenland of the Baptist church performed the ceremony before Mr. and Mrs. Roy Vance, the couple's only attendants. They returned to Lake Forest where they will vacation for a few days at the Vance home. Mr. Johnson and his attractive bride will make their future home in Sacramento where he is now engaged in the printing and publishing business.

A number of delightful affairs are being planned for the young couple in the near future, the bride being popular both at Truckee and at Sacramento where she resided.

DISTRICT WILL HOLD ELECTION SEPTEMBER 14

Three Members, Collector, to
be Voted Upon
this Year

Three vacancies in the board of directors of the Truckee Sanitary district will be filled at an election to be held September 14, it was announced this week by G. E. Hoffman, secretary of the board and one of the three members whose terms expire this year.

H. I. Snider and George Pace are the other two members whose terms expire, while R. A. Tonini and Steve Besio will continue to serve for another two years.

The office of the tax collector will also be open for nominations, P. R. Nelson's term expiring this year.

Petitions for nomination of officers to the four posts may be obtained from Hoffman between August 15 and 25, the dates set by law. Each petition must contain not less than five nor more than 20 signatures, the clerk said.

CANDIDATES OF COUNTY PAY \$52

Total of \$29,120 is Paid by
Potential Officers
in State

Nevada county's share of the \$29,120 paid in fees by candidates competing for nomination to congress, the state senate and assembly totals \$52.89, it was revealed this week in a United Press dispatch.

Of this sum \$22.22 was provided by congressional candidates, \$26.67 by potential state senators and \$4 by those seeking assembly posts.

Altogether, the congressional candidates paid \$17,000 in fees, while those in the assembly contests paid \$10,380 and state senatorial candidates paid \$1,740.

Congressional candidates were required to pay \$100 filing fee for each party nomination they are seeking. State senator and assembly candidates paid \$20 each.

Los Angeles county, with its large number of candidates for congress and the assembly, will receive nearly half the total amount collected in fees, or \$13,720. San Francisco was next with \$2,680, and Alameda third with \$2,000. Calaveras, Inyo, Mariposa, Mono and Tuolumne will receive \$26.22 each—the smallest amount paid any counties.

Since only 20 of the 40 state senatorial positions are open to contests this year, 29 counties will receive no share of the filing fees paid in that division of the primary.

REX HOTEL REOPENED BY AUBURN BROTHERS

C. N. and Edward Tipton, recently of Auburn, have taken over the Rex Hotel on Commercial row and have reopened the hostelry, formerly operated by Dan Smith. The newcomers are experienced hotel and restaurant men and plan improvements at the local establishment.

IMPROVEMENTS MADE AT BOTTLING WORKS

W. M. Englehart, proprietor of the Truckee Soda Works, announces the installation of a new Miller Hydro full automatic bottle washing machine. The new apparatus, installed at considerable cost, adds greatly to the appointments of the modern bottling plant.

Captain Acts as Instructor—

IMPROVEMENT ON LOCAL HIGHWAY TO BE STARTED

Contract is Awarded for 2.4
Miles Between Here
and Donner

TO COST \$56,659.45

San Francisco Firm is Low
Bidder for Local
Project

The state department of public works last week awarded a \$56,659 contract for the general improvement of the highway between Truckee and Donner lake.

The Pacific States Construction company of San Francisco was awarded the contract. Work is expected to be started in the immediate future.

The contract calls for general improvement of 2.4 miles of the highway to bring the grade to a width of 22 feet and the pavement to 20 feet.

As soon as the work is under way, additional business is expected to be enjoyed by Truckee as the road camp will be maintained near this center.

The number of men to be employed or the length of time required to complete the project were not immediately learned.

HIGH SCHOOL TO OPEN FOR FALL SEMESTER MONDAY, AUGUST 24

The Meadow Valley Union high school at Truckee will open for the fall semester Monday, August 24, it was announced by Principal G. E. Hoffman. The registration of students is expected to be approximately the same as last fall, although it is understood that several students from the Hobart Mills area may not enroll immediately.

Opening of the grammar school will be delayed this year as workmen complete the new building under construction here.

WEEKLY PROGRAMS TO BE ENJOYED BY LIONS

Despite the busy season, more than a score of members of the Truckee Lions club met Wednesday evening at the California Cafe where they discussed future events and programs. It is proposed to have an outside speaker or some form of entertainment at each meeting of the club during the winter.

Leonard Meltzer, president of the Oakland den, was a guest at Wednesday's meeting. R. C. Gregory, newly elected president, was in charge.

KIELHOFFER LEAVES TO DISCUSS PICTURE HERE

Karl Kielhofer, contact man for the Truckee Motion Picture association, left today for Hollywood upon receipt of a telegram from President Zanuck of Metro-Goldwyn-Mayer asking him to come south to discuss the possibilities of producing "The Iron Horse," Metro's next major production, in this region.

Kielhofer is expected to join the staff of the company and go to India in the near future.

DENNIS JONES MARRIED TO MISS MURIEL HUNT

Dennis Jones, well known manager of the Soda Springs hotel and Miss Muriel Hunt, also of Soda Springs, applied for a marriage license at Reno August 10, according to word received here.

Jones is the son of O. J. Jones, owner of the resort hotel.

Loynds Hosts—

Mr. and Mrs. E. L. Loynd had as their guests Mr. and Mrs. C. H. Noyes and granddaughters Misses Olive and Blanche Noyes and Mr. and Mrs. Elmer Noyes, all of Richmond. The party has returned to their homes this week.

EDITORIALS

LET'S GET ACQUAINTED

It seems that the customary thing for a new editor to do when he arrives in a community is to expound extensively upon his policies and theories and announce emphatically just what his paper will and will not do for this and that cause.

Just to be different, we are going to eliminate a lot of that hurrah. Naturally, we have ideas and ideals, but we feel, and we want you to feel, that The Sierra Sun is your paper as well as ours and if any issue arises in which we can serve the community, your suggestions will be weighed with the same consideration which we plan to give our own ideas, and if they are worthy of the support of this newspaper, you will find us willing to cooperate at all times.

We came to Truckee principally for two reasons: First—because it is, in our estimation, the best place we have found in which to live and make our home; Second—to make that living possible.

After careful consideration we decided that Truckee was the ideal spot in which to reside. We like the climate, the scenery and the few local people we have met very much. To make a long story short, we like Truckee. We like it the way it is; but, if we can, through the columns of this paper, make it a better community, without altering its present trend, that, of course, is our fondest desire.

In order to achieve anything worthwhile, however, the newspaper needs the support of its community. You will find, without question, that a community grows just as fast as its newspaper and that the newspaper grows no faster than the community. We believe that great things can be accomplished for this region. It has all the natural resources possible to make it the nation's most outstanding resort center. It is a natural summer and winter playground, accessible the year 'round, providing a gateway into California and offering a scenic beauty and health-giving climate unexcelled.

We predict that the time is not far distant when the district will come into its own and be looked upon not as one of the nation's best resort localities, but by far the best.

The Sierra Sun wants to be instrumental in that achievement and, as previously stated, wants to support any program which will build up and promote the area. We want to know Truckee's problems and aid as much as we can in solving them, for by doing so we are not only helping the community, but we are helping ourselves. In other words, we want to be good neighbors.

DISTRICT DEVELOPING FAST

Although here only a few days our attention has been directed to a number of projects which are going to benefit Truckee materially and we cannot help but believe that additional improvements are to be forthcoming in the very near future.

Among the present proposed projects is the Boca reservoir on the Little Truckee river just east of the city. Bids for its construction, we understand, will be called any day. That means that in a short time actual construction will start. As soon as the work is under way, Truckee will be benefitted to no small degree.

Still another major development will be the general improvement of 2.4 miles of highway between Truckee and Donner Lake to cost \$56,659.45. This work, while smaller than the dam, also will directly benefit Truckee.

New homes and business houses are springing up throughout the Lake Tahoe district and indications point to a continuance of developments throughout the area bringing increased prosperity to local firms and families.

We are unfamiliar with many of the proposed projects, but judging from the few we have encountered, it is easy to predict a great future for the district.

PROTECT TIMBER FROM FIRE

A few years ago a forest fire burned for eleven days in Oregon. It destroyed three hundred thousand acres of timber.

According to an article in the Family Circle, the actual damage done was estimated as follows:

"It wiped out six years of continuous employment for 14,000 woodsmen."

"It reduced the tax income of one county by 43 per cent a year, or \$400,000."

"It robbed the lumber companies of timber with a potential value of \$200,000,000."

"It cost the general public five dollars for every dollar the lumber interests lost."

This was an unusually great forest fire. But every year, there are thousands of fires all over the nation whose cumulative total destruction greatly exceeds the holocaust described. Our average yearly loss for the entire country

The Bulletin Board

Politically Speaking

By GEORGE E. HELMER
(United Press Staff Correspondent)

SACRAMENTO, Aug. 13—(UP)—Vierling Kersey, state superintendent of public instruction, is virtually certain to be offered the post of superintendent of schools in Los Angeles county, according to present indications.

The vacancy does not occur until early next spring, but right now Kersey has six of the seven Los Angeles board members favoring him and the seventh is not particularly opposed, according to reliable information.

The superintendent has not said flatly that he would accept the position if offered him, but he indicated it strongly when he said any educator would consider the offer an honor. The Los Angeles post carries a higher salary than the \$6,000 the state pays Kersey.

Friends of Kersey feel he would be unwise not to accept the job. Although the sensational charges hurled at him some time ago were short-lived, it was almost certain that they would be used by his opponents if he stood for re-election to the state position in 1938.

If Kersey resigns, Gov. Frank F. Merriam will appoint a successor to serve out the remainder of the term, and whoever is named will have the inside track on the 1938 election contest.

The governor has not discussed the matter and probably will not talk about a possible appointee until shortly before the change is made. Educational circles are humming with discussion, however, and there is a large amount of interest being exhibited by universities, teachers, colleges, advocates and opponents of the four-year college plan. The universities want a superintendent friendly to them in their fight against establishment of four-year arts colleges throughout the state. Advocates of four-year college desire the appointment of a superintendent who would look with sympathy upon their proposal.

Those interested in the subject of public education are confident that the four-year college fight will be one of the major issues confronting the legislature next year, and they realize that the state superintendent of public instruction might wield considerable power in the contest.

The names of two educators have been mentioned recently as strong possibilities in the field of Kersey successors.

They are Dr. Walter Dexter, Governor Merriam's executive secretary, and Frederic P. Woellner, Los Angeles, teachers college head and prominent speaker. Dr. Dexter was president of Whittier college before

is 52,000,000 acres of woodland.

Here is a problem that almost every citizen can help solve. Most of us at one time or another visit woods—and many of us, through either ignorance or carelessness, do things that are likely to cause fire. Careless disposal of cigarette butts and matches and improperly built camp fires are two prolific causes of forest holocausts. Most man-made fires begin from something of this sort—and a modicum of care would prevent them.

Man is burning his forests faster than nature can replace them. Do your part to protect our irreplaceable and invaluable timber resources.

the governor drafted him into the state administration.

Woellner was reported here to be none too anxious to accept an appointment, but some of his friends are boosting him for the position and he may take it if the offer is made.

Too much time remains to expect the contest to develop within the next few months, however, and many candidates may be in the field by Christmas.

Resignation of Kersey would give Merriam his second important elective position to fill by appointment, not including the numerous judgeships and county supervisor jobs that have fallen to him to fill.

He named Ray Edgar of El Centro to the state board of equalization after Miss Ora Jean Shontz resigned to accept Merriam's appointment to the Los Angeles municipal bench.

The governor has said he would not lend his support to any of the many special propositions on the November ballot, but he does believe liquor control should be taken from the hands of the state board of equalization. He therefore indirectly has placed his stamp of approval upon a proposition which would provide for an appointive three-man commission to handle liquor. Under the proposed act, the governor would appoint one of the commissioners, the lieutenant governor and attorney general naming the other two.

Real Estate Gains Show New Prosperity Trend Throughout California

SACRAMENTO, Aug. 13—(UP)—Additional evidence of returning prosperity is provided by the marked improvement shown in California's real estate business, according to a report of the division of real estate.

"The most encouraging feature of improved conditions," said the report, "is the attitude of the public, which is turning strongly to real estate investments. Real estate men generally are reporting to the division that they are greatly encouraged because of the turn of mind of the public toward real estate both for homes and for investments."

Similar conditions exist throughout the nation, the report disclosed, citing data which placed the country's housing needs at approximately 3,000,000 new homes this year. Construction forecasts for 1936 were given as only 300,000 units, against an estimated requirement of 760,000 new dwellings annually for the next 10 years.

"Even though these comparisons and figures are the national outlook," the report continued, "it is to be expected that California will enjoy its proportional share of this anticipated business. A building pro-

SEAWELL'S RECORD ON TAX RELIEF REVIEWED FOR STUDY OF VOTERS

When Senator Seawell entered his first term in the state senate in 1933 one of the great problems of the moment was tax relief to the common property taxpayer and the equalization of taxes between common property taxpayer and the privately owned public utilities of the state. Having promised tax relief and equalization, he immediately took the lead to bring this program to a successful conclusion.

At that time the state was paying half of the school costs and the counties half of the costs. The private utilities were paying seven per cent on their gross income as taxes to the state on their operative properties and no taxes to the counties on these properties. Under this set-up the common property taxpayer was paying \$1.84 as compared to \$1.67 by the utilities. This was most unfair and Senator Seawell, as a member of the Senate Revenue and Taxation committee of the senate, proceeded with twelve other men to revise our tax system.

As a result of their efforts, constitution amendment number 30 came to life and was approved by the people at a special election in June of 1933.

It provided that the counties share of school costs should be transferred to the state and that the operative properties of the private utilities would be returned to the local tax rolls for taxation.

This procedure gave great relief to local taxpayers as their tax bills will show today and at the same time placed the private utilities on the same tax plane as local taxpayers and equalized the tax burden between these two types of taxpayers. The privately owned utilities are paying today approximately \$8,000,000 more in taxes to the counties than they were paying under the old plan which they had been escaping under the previous setup. The counties of Placer, Nevada and Sierra have benefitted greatly by this tax plan and Senator Seawell is to be highly complimented for the great work he did in helping put this tax system into effect.

Your tax bill of 1933 as compared to the tax bill of 1936 is the result of his untiring efforts that justice might be done and real estate returned to a sound basis.

gram like this has perhaps never before existed.

"If it could be put into operation, it would provide work for all persons engaged in the building trades, and do much to wipe out unemployment, eliminating the doubling up of families and in fact help to restore prosperity to the nation."

An increase in the cost of renting homes also was noted by the division. Estimates from reliable data, the report said, indicate the rent for unfurnished houses has advanced during the past twelve months on an average of 15 to 20 per cent in California.

"In all types of residential rentals, the present trend is definitely upward," the division reported. "Reports for the country as a whole indicate about 10 to 12 per cent increase in residential rentals. From a close analysis, it would seem that the greatest increase in percentage of rental has taken place in houses of the lower bracket, renting for \$25 per month or less."

RESIDENTS URGED TO REGISTER BY SEPT. 24

Registration deputies announce that an unusually large number of Nevada county people have been disfranchised from voting in the August primary elections because of their lack of registration for the ballot.

The present registration is for the November election, and those who have not registered for either the May or August primary election or have changed their residence meanwhile are cautioned to register at once for November.

September 24 is the closing registration date for the general election.

JAIL BREAKER LEAVES NOTE HE WILL RETURN

COLUSA, Aug. 13—(UP)—Archie W. West, arrested on a charge of cattle stealing, apparently didn't believe the officers had the right man. He promptly broke jail, leaving a note for the sheriff which said he would come back only if he finds "the man who stole those cows."

Grass Valley and Nevada City last Sunday.

Mrs. Cora Chubbuch visited friends at Nevada City and Grass Valley on Sunday.

E. W. Canady and daughter Marjorie visited friends in Gridley on Saturday and Sunday.

Mr. and Mrs. Albert Canady of Reno were week end visitors at the home of Mr. and Mrs. E. W. Canady and family.

Frank Wilson, accompanied by William Treglown, made a trip to Little valley last Friday.

Bob and Marian Nix of Colgate are visiting with their grandparents, Mr. and Mrs. E. K. Wilson.

Dr. and Mrs. Di Cirio of Chicago, who are staying at Donner lake, visited with Mr. and Mrs. Julian Brewen last week.

Mrs. Stella Davis of Truckee has been visiting her sister, Sophie McLeod, recently.

Mr. and Mrs. Louis Vavallo have returned to Reno after a few days visit in Sacramento and Stockton and after spending the week end in town with Mrs. Hannah Stewart and family.

Miss Margaret Knies, who has been quite ill from an infected tooth, is improving.

Mrs. Frank Wilson and Miss Zoe Tredennick visited the Camp Fire girls at Camp Pahatsi on Thursday afternoon. Miss Tredennick is the guardian of a Camp Fire girls' group at Nevada City and ten girls of her group were at the camp. The ladies spent the afternoon visiting and enjoying its many activities.

Ellis Paris has returned home from a two weeks stay in San Francisco where he was called by the serious illness and subsequent death of his mother. Mrs. Paris is a former resident of Hobart Mills and made her home here for many years before going to the bay region to make her home with her daughters.

BEAR VALLEY ROAD IMPROVEMENT UNDER WAY WITH STATE AID

Breaking of the "bottleneck" on the eastern end of the Tahoe-Ukiah highway is underway, according to the promises of Earl Lee Kely and department of public works officials as power equipment is engaged in widening and realigning the highway from the end of the previous pavement at Steephollow summit to the floor of Bear valley.

The work is being done by the state itself on maintenance funds. They have placed a power shovel and bulldozer on the job and have succeeded in knocking the corners off several turns, cutting one new turn across the ravine at the head of Steephollow creek and widened the grade right-of-way. The work is now at its height, but when completed will give an improvement that will just be short of highway standards.

of Mrs. A. D. Murray, coming here from Mill valley where the family resides.

Mrs. Martin Nelson entertained her bridge club on Friday afternoon. The following ladies were present: Mrs. E. C. Murray, Mrs. George Lesseyong, Mrs. Frank Wilson, Mrs. William Treglown, Mrs. V. C. Mack, Mrs. E. K. Wilson and Mrs. P. W. Lazier. Mrs. Mack and Mrs. Murray held the high scores of the afternoon.

Mr. and Mrs. G. D. Oliver, accompanied by Mrs. Jack Oliver and son, were Minden visitors on Monday.

Mr. and Mrs. V. C. Mack were Reno visitors on Sunday.

The heavy thunder storm of Monday was almost a cloudburst in this vicinity and filled the gutters to an overflowing stage. It rained for about an hour and was a very welcome storm, cooling the air somewhat.

Mr. and Mrs. Sam Davis and daughter Virginia were recent Hobart visitors from Vallejo where they make their home now. The Davises are former residents of Hobart Mills.

Mr. and Mrs. Leroy Wilson spent the week end at Nevada City and Gridley.

Mr. and Mrs. Tom Craig and daughter visited relatives in Auburn over the week end.

"BOY ORATOR"

Rep. Josh Lee, the "boy orator" who defeated blind Senator Thomas E. Gore in the senatorial primary in Oklahoma. He took issue with the anti-New Deal views of the veteran who had represented Oklahoma from statehood in 1907 until 1920 when he was beaten. Senator Gore was called out of retirement six years ago by a heavy vote.

THREE HITS SLATED FOR LOCAL THEATRE DURING COMING WEEK

Bubbling with laughter and bursting with song, roguish Jane Withers comes Saturday to the Donner theatre in her joyous new Fox hit, "Little Miss Nobody."

The picture follows the adventures of a merry orphan through a series of escapades both hilarious and pathetic. Featured in the strong supporting cast are Jane Darwell, Ralph Morgan, Sara Haden, Harry Casey and Betty Jean Hainey.

Two of the most drama-packed situations which can enter any woman's life engulf Madeleine Carroll, sensational English actress, in the title role of Walter Wanger's "The Case Against Mrs. Ames," her first American picture.

In the film, opening Sunday at the Donner theatre, Mrs. Ames is first charged with the murder of her husband, then faced with the loss of her only child through a court action.

Miss Carroll appears as the beautiful wife of a California millionaire socialite, who is found fatally shot under circumstances which damn her as the murderess. She is brought to trial, defended by Alan Mowbray, a prominent attorney retained for her by one of her most bitter enemies—the wealthy and powerful mother of her slain husband.

Edward G. Robinson returns to the screen in "Bullets or Ballots," a First National production which is scheduled as the feature attraction at the Donner theatre beginning next Wednesday.

Robinson's new role affords him all the opportunities for characterization that "Little Caesar," the picture that made him famous, gave him, but in this picture he is not a gangster. He is a hard-boiled detective determined to put the boldest and best organized band of criminals known to history out of business.

STATE GENERAL FUND \$40,000,000 IN "RED"

SACRAMENTO, Aug. 13—(UP)—California's general fund was nearly \$40,000,000 in the red at the end of July, Comptroller Ray L. Riley reported today.

This compared with a deficiency of \$34,500,000 a year ago.

The state had nearly \$50,000,000 outstanding in registered warrants, or interest bearing I.O.U.'s, and approximately \$10,000,000 cash on hand.

The financial statement supported recent predictions that the deficit at the end of the biennium would not be nearly so high as it was estimated a year ago, because of unexpected increases in revenue.

CALIFORNIA LEADS IN FINDING RELIEF WORK

SACRAMENTO, Aug. 13—(UP)—California led the nation in returning men and women to private employment during the month of June, Roy S. Stockton, director of the California State Employment service announced.

"The national placement statistics, compiled in Washington by the United States Employment service, with which the state service here is affiliated, show California sent 12,081 persons to jobs in business and industry, while Illinois, reporting a total of 11,363, placed second, and New York, with 11,237 placements, was third," Stockton said.

Nearly 20,000 persons in India are killed each year by deadly cobra snakes.

MRS. LAURA WESTPHAL INJURED IN BAD FALL

Forest products rank tenth in the Big Ten of farm products in this country.

A butterfly is born seven times.

Mrs. Laura Westphal, who has been summering at her attractive estate "Westlake," suffered a bad fall on Thursday evening which necessitated the presence of a day and night nurse at her bedside. Suffering with a minor ailment for a day or two previously, she evidently fainted and fell, receiving a bad cut on her head. Dr. C. B. Pedersen, who has been attending her daily, will probably allow visitors to see her the latter part of the week, as her condition is improving daily.

HIGHEST BUILDING IS ONLY 1-STORY HOUSE

SACRAMENTO, Aug. 13—(UP)—"The highest building in Southern California" is a one-story structure according to the State Park commission. Erected at an elevation of 10,800 feet atop Mt. San Jacinto, the stone house will serve as a refuge for those caught by inclement weather or desiring to rest after climbing the mountain.

CALIFORNIA TAXPAYERS

GUARD YOUR HOMES!

Cleverly-baited and deceptively-worded, the ruinous "SINGLE TAX" will appear as PROPOSITION NUMBER 1 on your November ballot.

"Single Tax" is an exorbitant LAND TAX, deliberately designed to DESTROY HOME AND FARM OWNERSHIP! California voters have conclusively demonstrated at seven elections that they would not KNOWINGLY vote for it.

But the "Single Tax," at this year's election, is flying under false colors, it is DISGUISED as a Sales Tax Repeal Act—a definite, flagrant attempt to trick the voter and bilk the taxpayer!

THIS IS YOUR FIGHT

This is not a political issue. It is a fight for financial self-preservation. It is YOUR CAMPAIGN—the campaign of every home-owner, every farmer, every business man, every renter and every worker.

Single Taxers believe that the private ownership of land is "against natural justice" . . . that ALL LAND SHOULD BELONG TO THE STATE, as it does in Soviet Russia . . . that YOU SHOULD RENT THE HOME YOU NOW OWN!

By the brazen expedient of MAKING TAXES HIGHER THAN THE TAXPAYER CAN PAY, it is planned to CONFISCATE YOUR PROPERTY. The average rate would be \$11.25 per \$100 the first year—increasingly higher in succeeding years! Such rates are PLAINLY CONFISCATORY!

Join your local Committee Against the "Single Tax," or write to this Association for further information. . . . Guard your homes against tax cranks and social revolution . . . PROTECT CALIFORNIA FROM TAX DISASTER!

STANDARD OIL MAN HONORED AFTER 35 YEARS OF SERVICE

Appropriate tribute was paid Paul H. McCullough of Reno, district sales manager of the Standard Oil company in observance of 35 years of outstanding service, at a dinner given in his honor at Tahoe Tavern on Saturday evening. Mrs. McCullough accompanied her husband.

A formal cocktail hour preceded the dinner which was attended by a host of his friends and fellow associates.

Among visiting celebrities present were T. G. Travis and C. S. Lincoln of Oakland, assistant general sales managers; J. C. Wagner and George Gillespie of San Jose, W. H. Haines of Sacramento, S. E. Tretton and F. H. McClintock of Oakland, K. W. Kendrick of Fresno and G. H. Fairchild of Stockton. The following department managers from the home office in San Francisco were among those present: E. J. Timmons, A. P. O'Kane, J. A. Blood, A. J. Turner, R. F. Bradley and George H. Mayer of Oakland, former executive now retired and George Kehoe of Sacramento, district manager of Standard Stations Incorporated, who was accompanied by his wife.

Other distinguished guests outside the Standard Oil organization who were present were Mr. and Mrs. T. S. Walker and Miss Margretta Ferris of Westwood, Mr. and Mrs. Sam Frank and Sam Platt of Reno.

W. E. Anderson, assistant district sales manager in Reno, introduced T. G. Travis, who assumed the responsibility of toastmaster for the evening's festivities. During the evening C. A. Carlson, Jr. of Mr. McCullough's organization in Reno, presented Mrs. McCullough with a lovely bouquet of gladiolas. Her husband was given a testimonial, signed by the entire Reno sales group, headed by the name of K. R. Kingsbury, president of the Standard Oil company. The district head was also presented with the 35-year pin of the Order of Service.

Special agents and their wives of the Reno agency were also in attendance.

Miss Jane Rogers of Tahoe Tavern, accompanied by Joaquin Grill's orchestra, rendered several vocal selections.

A golf tournament on the Tavern links was enjoyed by the members and visitors on Sunday, winners receiving trophies at its conclusion.

Last year 3,694 Americans gave up their citizenship to be naturalized in Canada.

Piedmont Visitors

Mr. and Mrs. C. R. Himes of Piedmont and son Roger were week end visitors at the home of Mrs. Himes' sister, Mrs. Sybil Yeakel of Lake Forest. The Himes family will vacation for a month at Richardson's Resort.

Southerners at Lake

Mr. and Mrs. Sam Goss of Bakersfield are now occupying their home in Lake Forest and may remain for the remainder of the season.

From Placerville

Frank Knowland of Placerville visited over the week end at the home of the Roy Frasier's in Lake Forest.

Enjoy Races

Among those enjoying the boat races at Chambers' Lodge on Sunday were Mrs. Neal Chalmers and two daughters Patricia and Phyllis, Mrs. H. E. Coil and Bill Doty, all of Woodland. The party enjoyed the week end at Tahoe visiting friends on the south end.

Showers at Lake

Sudden, heavy showers visited the Tahoe region on Sunday and Monday with a loud thunder storm, accompanied by lightning display and terrific, spasmodic showers on Sunday night about midnight. Only .02 of an inch of precipitation was recorded on Sunday's showers and .03 of an inch on Monday's.

TRIAL IS DELAYED FOR RIO LINDA MOTORIST FOLLOWING ACCIDENT

The trial of Arlie Coker, 31, of Rio Linda, who was arrested at Tahoe and placed in jail at Auburn for reckless driving on August 16, was first postponed from 10 a. m. Monday morning to 1 p. m. Monday afternoon. The district attorney's office then notified Tahoe authorities that Coker had been allowed out on bail and date of trial would be set later.

Three of Coker's companions, Harry LeStrange, 21, Wallace Gooch, 24 and Frank Ely, all of Roseville, were badly cut up and bruised when the car Coker was driving left the highway at a sharp curve near Tahoe Vista shortly after midnight August 6, hitting a tree and badly damaging the car.

Highway Patrolman Gene Walker placed Coker under arrest when it was asserted he was traveling at an excessive rate of speed, his reckless driving causing injury to his passengers. The men were all employed on Tahoe highway construction work near Brockway and had been to Cal Neva.

Patrolman Saves Young Lady on Bolting Horse

Highway Patrolman Gene Walker was called upon last week to lend his assistance in stopping a runaway horse with an hysterical girl clinging, between tears and screams, to the saddle horn.

While conversing with Bob Fowler from the east side of the lake on business, Walker and his companion were startled to see a horse, racing at top speed, run out from a side road at Homewood and streak down the busy, crowded highway toward Tahoe City.

The young lady was followed by a second rider, a young man, who urged his mount to greater speed in order to stop her horse. But his efforts seemed but to spur the runaway to greater speed. Jumping into his car Walker made his way through the heavy traffic and after some moments managed to crowd the frightened horse and its trembling rider off the highway into some bushes where it was stopped. The young lady's name was not learned.

Bishop, nephew of Mrs. Joe Duffee, both of Sacramento, visited at the Duffee's Lake Forest home on Saturday.

Take Cottage

Mrs. G. W. Robbins and three children of Sacramento has taken a cottage at Al Tahoe where she will remain until the beginning of school.

Visiting at Chambers' Lodge over the week end were Mr. and Mrs. F. Remensperger of Sacramento, J. E. Lewis, Mr. and Mrs. S. L. Simon, Mr. and Mrs. Al Pollock and Miss Jean Pollock, all of Fresno, Miss Marybell Reeme and Miss Ethel Meakes of Sacramento, Mr. and Mrs. William E. Woods of Oakland, Mr. and Mrs. Thomas J. Rey and Mr. and Mrs. Albert L. Wagner of Sacramento.

Joe Duffee was tendered a surprise birthday dinner party at Prusso's Forest Inn and Gardens on Wednesday night. Guests who assembled to assist in celebrating the occasion included Mr. and Mrs. George Heasen, Mr. and Mrs. Otto Darlin, Arman Swenson and Mr. and Mrs. Joe Duffee and daughter Eunice.

Jangle of Cowbells To be Silenced to Let Resorters Sleep

Residents of Lake Forest who have suffered silently in resignation will be pleased to learn that the jangle of cowbells which render many of their nights sleepless may soon be silenced, in part at least.

Mrs. Ed Wagner, who operates the Wagner Auto camp at Lake Forest, had requested Bud Jones, owner of the cows, to remove their noisy bells, but this he declined to do. At all hours, early in the morning, in the middle of the night by flashlight and at sundown, has this industrious resort owner trudged through fields to scare the cows away in order that her patrons might sleep.

Tiring of the almost useless job, she finally appealed for help to William Slade, Auburn attorney. Slade, in a letter received this week, informed her she had an avenue of recourse to the law, in as much as the cows were a decided nuisance, not only in finding their way occasionally into folks' front yards, but by the incessant jangling of their noisy bells which would eventually ruin her business. Brought to Mr. Jones' attention, it is believed he will make an effort to keep his restless herd away from Tahoe's tourist resorts where vacationists strive often to detain Morpheus far into the late mid-morning hours.

ELKUS VISITS FAMILY AT LAKE; TRIP WILL TAKE THEM TO MEXICO

Frederic K. Elkus of Sacramento enjoyed the week end at Tahoe with his wife and son, Frederic, Jr., who are enjoying a vacation stay in the John Budd cottage near Thoma. Mrs. Elkus will leave in two weeks, accompanied by her sister, Mrs. Edna Greenfield of San Francisco, and a party of 16, for a tour of old Mexico. Leaving by steamer, the group plans to be gone for three weeks, visiting all points of interest in the land of cacti.

Mr. and Mrs. Elkus and son, Frederic, Jr., and Mr. and Mrs. George Siller of Sacramento enjoyed dinner at the Tavern on Wednesday evening, followed by dancing.

FEDERAL LOAN AGENT LOCATED AT WAGNER'S

Mr. and Mrs. George Franklin of Reno will spend the remainder of the summer season at Wagner's Auto camp where they have taken a cottage. Franklin is the representative for the Tahoe region of the Federal Housing administration loan department, with headquarters in Reno, Nevada.

A building boom is being anticipated in Brockway this fall since Franklin's advent as heretofore loans were restricted on property at the north end of the lake in the Brockway district. Anyone wishing to contact Franklin in regard to a federal housing loan may call Tahoe City 74 F-3.

TWINS BORN TO MRS. TYLER OF LEBANON

Word comes from Mrs. David Tyler, formerly of Lake Forest, that her granddaughter, the former Audrey Bennington, now Mrs. James Kauffman of Lebanon, Oregon, is the mother of a set of twins, each weighing five pounds, born August 6. The little boy has been named David Lee and his little twin sister Wanda Rose.

Mrs. Tyler recently visited for a number of weeks at the Bennington home in the north but is now living with the William Oliver's in Oakland. Mrs. Oliver and her mother were visitors in Tahoe City over last week end.

MARX BROTHERS ARE VISITING AT LAKE

Vacationing at Tahoe are Mr. and Mrs. Graucho Marx of the Famous Marx Brothers, and family, who will remain for another week at least at Brockway hotel. His brother Chico, who is accompanied by his wife and daughter, is a guest at Tahoe Tavern. The Marx brothers have just completed a tour of the East and are enjoying a well-earned rest on Tahoe's shore.

TAHOE-PLACERVILLE ROAD UNDER REPAIR

The Union Paving company has been awarded the contract to make a permanent surface to the Tahoe-Placerville highway, according to Nevada papers, a short detour now in effect on that route which will be necessary for a period of six weeks or two months while the main road is being paved.

Travel through the section will follow a pilot car, the detour following the old roadway about one mile west of Strawberry. No appreciable delay will be experienced by motorists wishing to use this highway, however.

LIGHTNING CAUSE OF SIERRA BRUSH FIRE

Fire, believed to have been started by lightning, burned over approximately 1200 acres of grass and brush on Elephant's Head, a mountain near Loyalton last week before it was brought under control by forest service men and CCC workers. The blaze was stopped at the Loyalton-Vinton road.

RED CROSS BOOTHS AT FAIR PLANNED; COUNTIES TO SHOW

The American Red Cross again will have a booth to take care of lost children at the state fair in Sacramento, Sept. 5 to 14. The booth will be placed at the Women's Building and an announcing system will expedite their return to parents.

This was made known through the Sacramento chapter, American Red Cross. Only children under the age of 13 will be given assistance.

The bureau won wide popularity last year when the service was introduced. It handled 250 cases of lost children in a 10-day period. The bureau has been endorsed by the state fair management.

Arrangements for county booths to date at the fair disclosed the following counties will display: Amador, Calaveras, Mendocino, Tulare, Los Angeles, Eldorado, Shasta, Ventura, Solano, Orange, Placer, San Francisco, San Joaquin, Napa, Contra Costa, Humboldt, San Bernardino, Yolo, Sacramento, Modoc, Fresno, Alameda, Nevada, Santa Cruz, Alpine, Butte, Tehama, Lassen and Sutter.

ALPINE COUNTY HAS LOW RELIEF LOAD

SACRAMENTO, Aug. 13—(UP)—Alpine county enjoys the enviable record of having had only one person on relief during the last six years, state officials reported.

The population of Alpine county, however, is listed at 241.

Visiting Toninis—

Mr. and Mrs. E. E. Generdini and Mrs. Anita Tonini arrived from Morro Bay, San Luis Obispo county, to spend the vacation period at the homes of Robert and Ben Tonini.

O'HANRAHAN TELLS OF NEEDS OF COUNTY IN PRE-ELECTION LETTER

In a statement issued this week, Tim O'Hanrahan, local candidate for supervisor, discusses the needs of this supervisory district. Mr. O'Hanrahan said:

"The present form of county government was first established by the adoption of the state constitution in 1849. Settlements were small and far between. Means of communication were simple and the duties of the county officials were such that almost any citizen was qualified to fill any position.

"Since 1849, a mass of county laws have been passed in an effort to keep up with the demands of the times. This is well illustrated in the case of libraries, parks, airports, fire, flood and sanitary control systems, social welfare and other public enterprises and agencies, which were almost unheard of at the time the original county laws were drafted.

"The development of highway transportation is an outstanding example of the changing demands of local government. Up to a few years ago, construction of county roads was a comparatively simple matter. Horse-drawn vehicles did not require wide roadways or expensive construction. With the development of motor transportation, the condition has changed entirely.

"Any local taxpayer can see for himself, year by year the useless and expensive methods of road maintenance that has been carried on, with little if any permanent improvements to show. If elected to the position of supervisor, I propose to inaugurate a system of gradual and permanent grading, draining and hard surfacing of the local county roads. Each year, within the

AROUND TOWN

Here from Woodland—

Mrs. Ray Hughes of Woodland is sojourning at Donner lake during the summer and was accompanied by her four daughters, Dorothy, Mary, Ellen and Bonnie Ray. Robert Hughes also of the Yolo county city is visiting his aunt.

Visit at Donner—

Mr. and Mrs. Frank Garrette and daughter, Miss Jeanne, of Woodland are the guests of Mr. and Mrs. Edmund Garrette of Colusa, at Lake Pine Retreat at Donner lake where they will remain during the remainder of this month.

Reno Guest—

James Tyrell of Reno is visiting at the home of his aunt, Mrs. M. S. Rutherford.

Senator Visits—

State Senator J. L. Seawell, can means provided, I propose to extend this work; first upon the more important traveled roads and eventually to the outlying districts.

"It is generally agreed," O'Hanrahan concluded, "that the outstanding needs of any county today are supervisors with business training and executive ability to cope with the multitude of demands and problems that present themselves. The support of my candidacy by the voters of the Fifth Supervisory district is respectfully asked and I promise to devote my time and efforts to building up and improving the district with all the means at my command."

NEW CARS BRING NEVADA COUNTY \$227 IN LICENSE FEES DURING FIRST SIX MONTHS

Indicative of unusually brisk activity in the sale of automobiles, collection of vehicle license fees in California during the second quarter of the year totaled \$986,260 and boosted to \$8,340,904 the amount poured into state, county and city treasuries during the first six months.

Incorporated cities will receive \$244,099 of the second quarter fees and counties will be apportioned \$122,049, Nevada county's share of this amount being \$227.79.

The department of motor vehicles will retain one per cent, or \$9,862, to help defray the collection expense and the remaining \$610,061 will go to the state general fund for retirement of certain old highway bonds.
